this study explores the relationship between the individual person the self the divine and other people in the

writings of the apostle paul and the roman stoic epictetus it does so by examining self involving actions expressed with reflexive pronouns myself yourself etc in various kinds of sentences for example examine yourself and you do not belong to yourself after situating the topic within the fields of linguistics and ancient greek the study then examines the reflexive constructions in epictetus s discourses showing that reflexive texts express fundamental aspects of his ethic of rational self interest in imitation of the indwelling rational deity next the investigation examines the 109 reflexive constructions in paul providing an exegesis of each reflexive text and then synthesizing the results paul s reflexive phrases are essential statements of his theology and ethics expressing an interconnected narrative christology narrative apostolic identity and narrative ethic most importantly the study finds that for epictetus concern for others is a rational means to self realization whereas for paul concern for others is a community ethic grounded in the story of the indwelling christ and is the antithesis of self interest

includes a section called program and plans which describes the center s activities for the current fiscal year and the projected activities for the succeeding fiscal year

a keyword listing of serial titles currently received by the national library of medicine

this study of teacher preparation policy and practice in ireland from independence in 1921 to the present highlights within an international context the extent to which the focus of preparation moved from nation building until 1967 when free second level education was introduced to one concerned with improving the country s human capital

1st 72nd include the annual report of the secretary of the board

moving beyond previous scholarship he gives us a locke as much concerned with the effective functioning of government as with the roots of its moral legitimacy book jacket

As recognized, adventure as capably as experience more or less lesson, amusement, as skillfully as settlement
