tells the story of the building of the american museum of natural history and hayden planetarium a story of history politics science and exploration including the roles of american presidents new york power brokers museum presidents planetarium directors polar and african explorers and german rocket scientists the american museum of natural history is one of new york city s most beloved institutions and one of the largest most celebrated museums in the world since 1869 generations of new yorkers and tourists of all ages have been educated and entertained here located across from central park the sprawling structure spanning four city blocks is a fascinating conglomeration of many buildings of diverse architectural styles built over a period of 150 years the first book to tell the history of the museum from the point of view of these buildings including the planned gilder center the american museum of natural history and how it got that way contextualizes them within new york and american history and the history of science part ii the heavens in the attic is the first detailed history of the hayden planetarium from the museum s earliest astronomy exhibits to clyde fisher and the original planetarium to neil degrasse tyson and the rose center for earth and space and it features a photographic tour through the original hayden planetarium author colin davey spent much of his childhood literally and figuratively lost in the museum s labyrinthine hallways the museum grew in fits and starts according to the vicissitudes of backroom deals personal agendas two world wars the great depression and the cold war chronicling its evolution from the selection of a desolate rocky hilly swampy site known as manhattan square to the present day the book includes some of the most important and colorful characters in the city s history including the notoriously corrupt and powerful boss tweed father

of new york city andrew haswell green and twentieth century powerbroker and master builder robert moses museum presidents morris k jesup henry fairfield osborn and ellen futter and american presidents polar and african explorers dinosaur hunters and german rocket scientists richly illustrated with period photos the american museum of natural history and how it got that way is based on deep archival research and interviews

each poem in this book speaks about experiences and thoughts since the author was first diagnosed with depression and anxiety disorder and since she metaphorically felt thunder in my head rain on my cheeks in a society that too often does not understand mental illness these poems help to open the eyes on the topic and to connect with the author s experiences you cried i comfort i cried you watched as a poem in the book says too often people are left alone dealing with these issues but everyone deserves a happy future the key thing is to seek help this is the message full of love and hope that the author wants to send out the hope is to help people with mentally ill friends family or co workers to understand it better than they did till now joe m is a young woman who has struggled with mental illness since her early teens and part of her childhood and still does to this day she got lost in the diseases and couldn t distinguish the differences between her personality and the diseases as a result she was never able to develop self confidence and always had to fight for her life writing down the feelings and thoughts helps her like a form of therapy from which this book arose after realizing how common mental illnesses are she wanted to use this book to show those people with illness that they are not alone and to give people who don t know what it feels like to live with an insight to react more empathetically to their fellow human beings and understand them to be able to she grew up in a little village with her family and wants to move to a big city in a few years to follow her dreams today she plans to study at a university in order to gradually get closer to her goal and keeps writing down her thoughts and ideas she loves all kinds of art and wants to be a part of it

hear the cannon roar at valley forge with george washington dance the night away at a chicago speakeasy during prohibition take a ringside seat for the gunfight at the ok corral ride apollo 11 to the moon hear martin luther king s i have a dream speech join with harry s truman on the a bomb deliberations land with john smith at virginia ride against custer at little horn get on down to jimmi hendrix at woodstock march to the grapes of wrath at shiloh work your fingers to the bone at henry ford s car plant this is america the beautiful the powerful the tragic the glorious the mammoth book of how it happened america is the story of the making of america in the very words of those who were there from its discovery by christopher columbus to george w bush s war against terrorism composed of firsthand eye witness accounts of the seminal moments in us history this is an intimate revealing insightful guide to the greatest nation on earth in five chronological sections this volume tracks the main phases of american history discovery including the exploration and settlement of america independence the revolution and wars against british rule destiny covering expansion into the west and the split between north and south frontier including the settlement of the american west and the indian wars and finally century the 100 years that saw america becoming a superpower on the world s political stage

richard and judy bestselling author gripping emotional utterly engrossing lisa ballantyne stunning writing and wonderful nuanced characterisation i was hooked rosamund lupton for fans of maggie o farrell and celeste ng how it ends is a sweeping and turbulent drama about the anxieties of post war britain where one strong and inspirational young woman looks to find her place no matter the cost 1957 within a year of arriving at an american airbase in suffolk the loving law abiding delaney family is destroyed did they know something they weren t allowed to know did they find something they weren t supposed to find only one girl has the courage to question what really went on behind closed doors hedy s journey to the truth leads her to read a manuscript that her talented twin brother had started months before he died a story inspired by an experience in the forest surrounding the airbase perimeter only through deciding to finish what her brother started does hedy begin to piece together what happened to her family but would she have continued if she d known then what she knows now sometimes it s safer not to finish what you ve started praise for saskia sarginson an intense and brooding read with a brilliantly claustrophobic sense of place sunday mirror on how it ends an engrossing read with endearing characters thrust into traumatic circumstances it stayed with me long after the last page lisa

ballantyne on how it ends outstandingly good part thriller part love story i guarantee you will not be able to put it down sun on the twins atmospheric readable beautifully evoked sunday mirror on without you stunning in its insight and beautifully written judy finnigan on the twins this enthralling read will keep you up long into the night ruth ware on the other me inspirational and compelling candis review on how it ends a stunning writer with deep insight into people their thoughts and behaviour nz women s weekly

begining with the 1921 attempt on the summit of everest through to the disasters of the 1990s this work features 30 white knuckle accounts of climbing endeavour on the world s highest mountain with all the tragedy and triumph of humankind s striving for the top of the world by those who know the death zone best the climbers of everest themselves yet this is more than a cherry picking of great true and exhilarating memoirs of everest included are the history of the conquest of everest and all the natural and cruel beauty of chomolungma the mother goddess of the world

thrilling a triumph of a novel jane harper beautiful writing emotional depth page turning plot chris hammer in a futuristic world danger awaits if you loved the last and the handmaid s tale you will love this
